Re: The Butch Mine  
ACT/015/010  
Emery County, Utah

Dear Mr. Sigwart:

Our files show that on August 16, 1976, you sent a letter to the Industrial Commission of Utah informing them of your intention to begin mining operations at the Butch Mine located in T. 22S., R. 14E., Emery County, Utah, a copy of which was forwarded to this Division.

Please be advised that under the Utah Mined Land Reclamation Act, mining operations are required to submit a Notice of Intention to Mine and a Mining and Reclamation Plan to this Division before mining operations commence.

If, however, your mining operation involves less than two (2) acres or less than 500 tons of material per year are being mined, you may be exempt from this law. Please inform us as to the status of your operation so that we can proceed accordingly.

Sincerely,

RONALD W. DANIELS  
COORDINATOR OF MINED  
LAND DEVELOPMENT
